Who we are?

A team of **Pedagogues, Communicators, IT and Creative experts in Immersive Training**

We help corporations to improve and accelerate their employees training.

We create unique experiences to solve our clients training needs.

Why Immersium Studio?

Winners of the **United Nations** public tender to create their immersive learning resources.

As a **spin-off from the Universitat Oberta de Catalunya**, we guarantee the pedagogical quality of our experiences.

Awarded with the **Best Immersive Educational Experience** award by the Immersive Learning Research Network 2019.

We are **constantly learning** to provide cutting edge solutions and **sharing our expertise in international conferences and forums.**
