

Hello.

Dr Neil McDonnell

LKAS Fellow VR+AR, University of Glasgow

Go anywhere.

Do anything.

Learn everything.

The story so far

Innovate UK
Technology Strategy Board

*University
of Glasgow*

Partnership between Sublime and the University of Glasgow

2018

'Project Mobius'

10 x exemplar lessons co-created by academics.
£977k Innovate UK funded 3-year R&D project

2020

edify market launch

+£1.25m funding to bring edify to market.

VR by proxy

VR headsets + video conferencing

=

Accessible, immersive and engaging educational experiences.

Already, this is a hugely innovative project...a fantastic teaching tool.

Sir Anton Muscatelli

Principal & Vice Chancellor of The University of Glasgow
